Academic Misconduct:

*Students should refer to the Standards of Conduct section of the Oracle, the student handbook, for policies regarding misconduct.*

Other pertinent information relating to specialization requirement:

**Americans With Disabilities Act (ADA):**

Troy University supports Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, which insure that postsecondary students with disabilities have equal access to all academic programs, physical access to all buildings, facilities and events, and are not discriminated against on the basis of disability. Further information, including appropriate contact information, can be found at the link for Troy University’s Office of Human Resources at [http://www.troy.edu/humanresources/ADAPolicy2003.htm](http://www.troy.edu/humanresources/ADAPolicy2003.htm)

**Standards of Conduct:**

The commission of or the attempt to commit any cheating and/or plagiarism are in violation of the Standard of Conduct stated in the Troy University – Florida Student Handbook, and may be disciplined up to and including suspension and expulsion.

Plagiarism is the passing off of the thoughts or works of another as one’s own. Plagiarism involves giving the impression that a person has thought, written, or produced something that has, in fact, been borrowed from another. Plagiarism may result from poor technique of citation or more serious cases as: copying the work of another person; submitting the work of another person; or closely paraphrasing a piece of work without due acknowledgement.

Questions about plagiarism? Go to [http://uclibrary.troy.edu/help/helps-plagiarism.htm](http://uclibrary.troy.edu/help/helps-plagiarism.htm)

**Allegations of Plagiarism:**

The College of Educations defines plagiarism as:

- Three consecutive words that are not common professional language used from another source without quotation
- Rephrasing another author's words without appropriate citation
- Using another author's ideas or data without appropriate citation
- Submitting another author's or student's writing as one's own
• Directly quoting a source without using appropriate APA or MLA style (whichever is required by the instructor) citation to show that it is a direct quote.

• Intentionally taking information from a source and not giving appropriate credit

Students who commit plagiarism will be subject to disciplinary actions as outlined in The Oracle for Academic Misconduct and violation of the Honor Code. The Standards of Conduct and Disciplinary Procedures define university procedures in these matters. Students have the right to request consideration by the Student Services Conduct Board.

Consequences for plagiarism in CP-6651, Counseling Diverse Populations, are as follows: Penalty/Failure can only be applied to the assignment. Only in situations where the assignment is critical to successful completion of the course may the faculty fail the student for the course.

Depending on the circumstances, the penalty imposed for plagiarism may include warning, resubmission, loss of marks, failure on a particular assignment or course, or a charge of misconduct to be dealt with by Troy University.

Incomplete Grade Policy:
An incomplete grade indicates that the student has not completed all of the assigned class work or has not taken all class examinations, but is otherwise passing the course. Only the instructor can determine whether an incomplete grade is justified. It cannot be automatically assigned, but rather must be requested by the student by submitting to the instructor the Petition for and Work to Remove an Incomplete Grade form. If the Petitions are approved, a signed copy will be mailed to the student. An "I" can never be used in lieu of an "F" nor can an "I" be assigned because of excessive absences. It is the student's responsibility to contact the instructor regarding the deadline for completing all course requirements. Any student who receives a grade of Incomplete must adhere to the work completion deadline set by the instructor, not to exceed the end of the following term. This deadline applies whether or not the student re-enrolls for the semester following the assignment of the incomplete grade (s). Failure to clear the incomplete within the specified time period will result in the assignment of a grade of F for the course.
