Welcome to the 2016 Wiregrass, Math, Science, and Technology Leadership Academy!

We are pleased to have such dedicated and committed educators!

Project Director: Dr. Vijaya Gompa
Curriculum Coordinator: Dr. Tonya Conner

Wiregrass Math, Science, and Technology Leadership Academy, 2016-2017
November 12 (Saturday), 2016
Workshop location: Harrison Room, Malone Hall;
Troy University - Dothan Campus.

Be sure to bring your computer.
Digital Breakout games in the workshop can help you.
Be sure to bring your computer,
a standard you would like to teach,
and a "Can-Do" attitude.
It is going to be a lot of fun!

| 9:00 - 9:45 a.m.  | Elementary and Secondary Education Teachers Workshop I: Breakout EDU Digital  
                    | Margie Tyner                                                              |
| **Course Description** | James Sanders and Mark Hammons have developed an immersive learning platform called Breakout EDU. The presenter will help participants walk through the process to introduce this tool in the classroom and present the necessary information to be comfortable using it in the class. The participants will do a “Breakout” together. |
| 9:45 - 10:00 a.m. | Morning Break                                                              |
| 10:00 - 11:15 a.m.| Elementary and Secondary Education Teachers Workshop 2: Breakout EDU Digital  
                    | Margie Tyner                                                              |
| **Course Description** | Step by step, create a digital breakout:  
                        | 1. Planning Sheet  
                        | 2. Google Form  
                        | 3. Google Sites  
                        | 4. Link all the clues to the form |
| 11:15 – 11:45 a.m.| Elementary and Secondary Education Teachers Workshop 3: Beta Test Digital Breakout Creations  
                    | Margie Tyner                                                              |
| 11:45 – 12:00 p.m.| Reflections, Evaluations - Dr. Tonya Conner, Curriculum Coordinator.      |

**Presenter**

Ms. Margie Tyner

Margie Tyner spent most of her childhood living in Libya, Washington D.C., and Iran. By the time she graduated from high school, she had attended eight different schools. She says her experiences growing up on the shores of the Mediterranean Sea, among ancient Roman Ruins, and in our nation's capital uniquely prepared her for her job as a gifted education teacher. She has taught kindergarten, 3rd grade, second grade, and 3rd through 6th-grade gifted students. In her spare time, she enjoys pottery, drawing, learning about and using technology, lesson writing, and hiking. Margi believes the primary things you need to incorporate into the classroom are curiosity, grit, and inspiration. She enjoys creating and teaching using Digital Breakout EDU games.
