This is a guide for students to determine which classes to take per term as they begin the counseling program at Fort Walton Beach (FWB). Each of the courses below are \***pre-requisites** in order to be eligible to begin your practicum (CP6650 or CP6655) ASAP.

**\*(The pre-requisite classes need to be taken as soon as they are offered and in the order listed-- NOTE: some classes are only offered once per academic year (AY) and if you miss it when it is offered, you will have to wait until it is offered again the next year).**

**\*CP6600- Professional Orientation** (should be taken in your first term- it is a pre-requisite for other courses)

**\*CP6649- Theories of Counseling** (should be taken as soon as possible- it is a pre-requisite for other courses)

**\*CP6610- Facilitation Skills** (should be taken after CP6649- it is a pre-requisite for other courses)

**\*CP6642- Group Counseling**

**\*PSY6669- Behavioral Pathology** (this is a pre-requisite for PSY6670)

**\*PSY6670- Diagnosis & Treatment** (must have taken PSY6669)

**\*ALWAYS seek faculty-advising for the most accurate information**

**Term 1** (If you **start** in this term you **MUST** take these two courses: **If offered**)

**CP6600** Professional Orientation  
**CP6649** Theories of Counseling

---

---

**Term 2** (If you **start** in this term you **MUST** take these two courses: **If offered**)

**CP6601** Legal & Ethical Issues  
**CP6610** Facilitation Skills

---

---

**Term 3** (If you **start** in this term you **MUST** take these two courses: **If offered**)

**CP6600** Professional Orientation  
**CP6649** Theories of Counseling

---

---

**Term 4** (If you **start** in this term you **MUST** take these two courses: **If offered**)

**CP6601** Legal & Ethical Issues  
**CP6610** Facilitation Skills  
OR  
**PSY6669** Behavioral Pathology

---

---

**Term 5** (If you **start** in this term you **MUST** take these two courses: **If offered**)

**CP6610** Facilitation Skills  
AND  
**CP651** Counseling Diverse Populations  
OR  
**CP6656** Marriage, Family & Sex Therapy  
OR  
**PSY6668** Human Lifespan & Development

**In addition, take your core-classes as they are offered- in conjunction with the pre-requisite classes (listed above). **Core classes include:****

\***CP6601**- *Legal & Ethical Issues* (take as soon as possible in your program)

\***CP6651**- *Counseling Diverse Populations*

\***CP6634**- *Drug Education & Rehabilitation* (required for licensure)

\***CP6656**- *Marriage, Family & Sex Therapy* (required for licensure)

\***PSY6668**- *Human Lifespan*

\***PSY6635**- *Vocational Psychology*

\***CP6691**- *Research Methodology* (this is a pre-requisite for PSY6645)

\***PSY6645**- *Evaluation & Assessment* (must have taken CP6691)

\***CP6605**- *Foundations for Mental Health Counseling*

**(NOTE: The above classes do not need to be taken in order, unless it is a pre-requisite. Most of the core-classes are offered only one time per academic year; so it is important to take them as they are offered or you will have to wait until it is offered again the next year).**

**Many of the core-classes you will be taking in conjunction with your practicum and internship classes**

**ALWAYS seek faculty-advising for the most accurate information**
